Floeter introduces the next generation of air cushion machines: the AirWave 1. Quick, quiet, connected to Bluetooth, modular and cost-efficient. Light at only 5.4 kg, the AirWave 1 delivers powerful performance. It supplies up to 4 workstations with reliable air cushions - made in Germany. It is programmable and can be seamlessly integrated into Floeter's system technology. Whether small cushions or wide pads, the AirWave 1 is a top performer in all categories. The intelligent system features “one-key” technology with a patented outstanding design.
